

# Brite Tank

**ABE**  
EQUIPMENT

When it's time to mature, clarify, carbonate, and store your beverages, you can rely on ABE Equipment Brite Tanks for the job. Made of 304L stainless steel, you will get the results you want without the worry of external influences. We include all valves and gauges with our tanks as well as design them with any special needs you have in mind. Available in sizes from 1 – 300 BBLs and in a variety of finishes, these brites are ready to serve.
