

Pilot Skid

ABE
EQUIPMENT

ABE Equipment has developed a simple way for startup craft distiller pioneers to establish a small-scale distillery without spending a vast amount of money. Whiskey, vodka, gin, and other clear spirits can be produced utilizing this still. Depending on your production needs, additional options include a rectifying column, whiskey helmet, or spirits safe.

Small Footprint

- Skid mounted
- 50 gallon still, spirit safe, and 3 x 100 gallon fermentation tanks

Premium Components

- Copper column, dephlegmator, & final condenser
- Two 5Kw C1D1 Compliant heating elements
- 200 liter insulated stainless steel kettle

Spirits Safe

- 304 stainless steel spirit safe simplifies the separation of your heads, hearts, and tails
- Rotating parrot
- Lockable cabinet
