ABE
EQUIPMENT

In 1748, Founding Father Benjamin Franklin famously stated: "Time is money". While he didn't have an ABE Equipment Dual Tank 150 Liter CIP System in mind when he said that, we think he was spot on. The ABE portable Dual Tank 150 Liter CIP System recovers chemicals and keeps them at the right temperature, saving you hundreds of dollars. Don't waste time and energy dragging long hoses from tank to tank, when you can simply wheel the ABE Equipment CIP System to each tank.

Mobile & Easy to Use

- System mounted on wheeled cart
- Automatic temperature control
- Sanitary stainless steel head, inlet, and outlet

Reduce Labor & Resources

- Dual 40 gallon (150 liter) tanks
- Independent reservoir temperature controls
- Sight tubes on each reservoir for easy water/chemical measurements
- A complete CIP system
